there is no races, where they're...where it's simulcasting, or probably not even simulcasting, because it's allowed in a racetrack. I don't think I can support too much of this bill at the way it stands now. We did...we did come out with a beautiful bill, we came out with a good plan, I...I do support LB 6CA. After that, before that, I don't know what's going to happen to this bill. I...I do think that we should let the voters decide, I like the idea of a constitutional amendment, I like...I support the Indian gaming bill, but after that I'm not so sure that I can support anything else, the way it stands now. Thank you, Senator Smith, for giving me your time. Thank you, Mr. Speaker.
